## Additional PPL discussions may be on the horizon

After presenting the **Joy Is The Journey** discussion at Peoria Public Library North last month, several participants asked me, "Will you be holding other discussions?" From the feedback I received, attendees said they appreciated an opportunity to connect with one another on a deeper level and they enjoyed the supportive environment where they could talk in meaningful ways about issues related to their own personal joy.

Another possible discussion series I'd like to hold at Peoria Public Library North if there is interest, would be one based on the acclaimed PBS series, **The Power of Myth**, with journalist Bill Moyers and mythologist Joseph Campbell. We would plan to watch the documentary in short, 15 minute segments, then discuss the ideas presented as we apply the myths to our own lives and times.

If a **Power of Myth** discussion series interests you, let me know by emailing me at [suzette@suzetteboulais.com](mailto:suzette@suzetteboulais.com).

### Make a Holiday Splash!

*Holiday Splash*

It's not too early to start thinking about holiday gifts for friends and family. Ask me about my popular, hand-painted red and green **Holiday Splash** notecards with a splash of gold that you can send as a holiday greeting or include with that special holiday gift you plan to give that special someone. Order your cards at: [suzette@suzetteboulais.com](mailto:suzette@suzetteboulais.com).

## Suzette set to sell at Dec. 9 Trunk Show

**Exhibit A Gallery**, located at 4607 N. Prospect in Peoria Heights, will be holding a holiday Trunk Show on December 2 and December 9 that features the work of several local area artists. As one of the featured artists, I'm set to sell some of my hand-painted notecards, smaller paintings and originally designed t-shirts and sweatshirts from 10 AM - 4 PM on Saturday, December 9, so plan to drop by as you consider making holiday purchases with a personal touch.

I'll also have available several small paintings like this 14" x 18" church window you see on the right, inspired by a similar painting by famous 18th century artist J.M.W. Turner.
