HeartART for a little girl who looks pretty in pink

Do you have a special little girl in your life? A daughter, niece, or granddaughter, maybe? Wouldn't her bedroom look nice if there were an original piece of art created just for her?

That's just what I did when I painted a pink heart with her name on it for my young niece, Chloe.

If you would like a special painting for that special little someone in your life, email me at Suzette@SuzetteBoulais.com.

Remember that
where your heart is,
there is your
treasure also.

HeartART Notecards

When my friend, Jinny, asked me to paint some notecards with a purple heart and a favorite expression on the front, I was happy to oblige.

If you would like some HeartART notecards incorporating your own favorite quotation, now's the time to order. Throughout February, all HeartART notecards are only \$1.50 a piece.

Send your Valentine a Valentine

Say something sweet to your Valentine with my hand-painted cards

With Valentine's Day right around the corner, say something sweet to someone sweet with one of my hand-painted Valentines.

My Valentines are available at Picture This Gallery in Peoria Heights, Beck's Florist on Lake Avenue and at Floral Expressions in downtown Peoria, Illinois. For personal orders email me at Suzette@SuzetteBoulais.com.

How about this heart-shaped flake I found in my cereal the other day?

What if Kellogg's actually used heart-shaped flakes like this to promote their Heart Start lineup of healthy cereals? Could be a fun PR gimmick.
