Let Suzette's art complement your porch furniture

Thank goodness, the long, cold winter is behind us and we're thinking spring! Of course, with spring comes the warmer weather and with the warmer weather comes out the porch furniture that's been stored away over the winter months. If you're looking for a unique way to spruce up your porch or deck, I can paint an abstract landscape in a color scheme that complements the colors of your porch furniture. For pricing details, email me at Suzette@SuzetteBoulais.com.

HeartART Notecards

When my friend Mary requested that I paint some notecards for her with several of her favorite expressions on them, I was happy to do so.

This month my heart notecards are on special - only \$1.50 per card. I'll even include your own favorite expression free of charge.

Maybe Mom would like some HeartART cards for Mother's Day. Order now!

Baby Blue Moon

Is there a new baby boy in your family? If so, maybe this original piece of art, *Baby Blue Moon*, could tie in and set off his bedroom. Right now this piece is on display at **The Moon Dancer** specialty shop at the Shoppes at Grande Prairie Mall in Peoria, Illinois.
