## Suzette's stylistic abstracts include swishes of color

When Kade's Coffee in Peoria, Illinois, created a promotional menu of their delicious coffee selections, what did they use as a backdrop for one of the photos on their menu? One of my abstract paintings done in shades of dark chocolate, caramel, cream and tan. Note the Kade's Coffee backdrop at the top right.

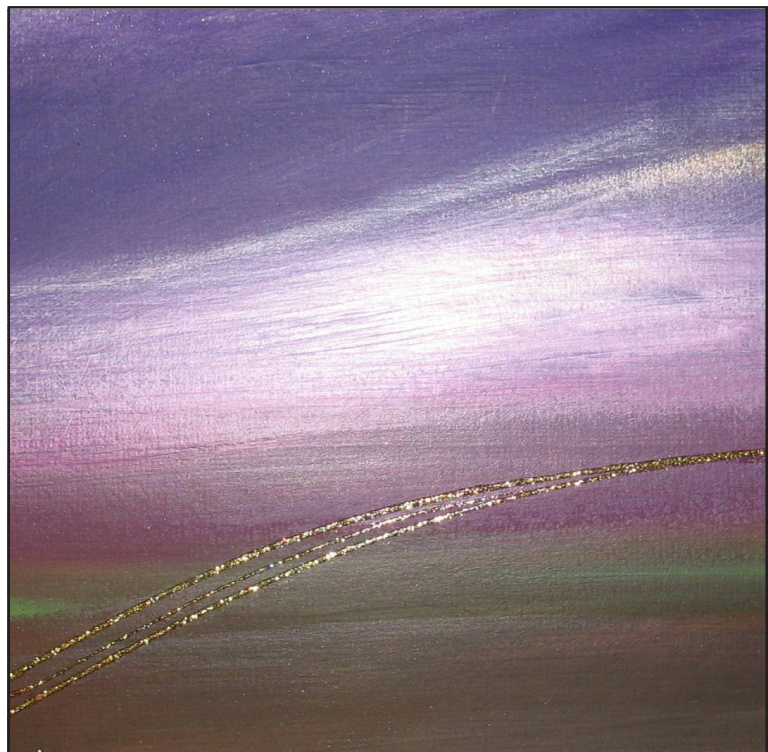

My artistic style does seem to be leaning toward creating abstract landscapes. Note another recent painting in shades of purple, magenta, green and brown. If you would like an abstract painting in a favorite color scheme let me paint a piece to set off any wall. For prices, email me at [Suzette@SuzetteBoulais.com](mailto:Suzette@SuzetteBoulais.com).
