Cornerstone Building Showcases Suzette's Paintings

I'm pleased to announce that over a dozen of my abstract paintings are now staged at the Cornerstone Building in downtown Peoria. The Cornerstone is a wonderful venue for art, music, weddings, receptions and business meetings, so plan to hold your next activity there; and when you do, stop by the Chapel of Light to see my artwork on display!

Gayle Mirande

What a joy it was to paint a retirement gift for Gayle Mirande who recently stepped down as the organist/pianist at St. Anthony's Church in Bartonville, Illinois.

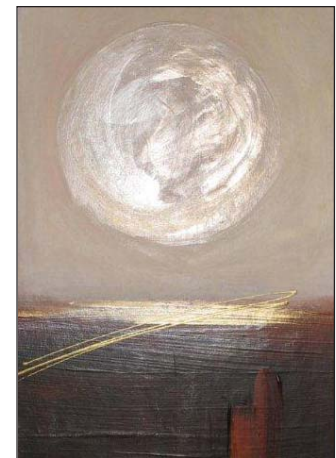

Here is a photo of Gayle with her new painting, "*We are one in the Spirit*," which was inspired by the stained glass colors at St. Anthony's Church.

If you're looking for some notecards with a personal touch, consider my new notecard line, ***Thoughts That Soar***.

These notecards include one of my hand-painted images on the front and an inspirational saying on the inside. I can even create notecards with your own favorite quotes on the inside.

To learn more about my notecard line, visit the ***Thoughts That Soar*** section of my website at www.SuzetteBoulais.com.

Feel free to forward this enews to friends and colleagues!
